# HAMILTON IS GETTING MORE AGGRESSIVE REVITALIZING VACANT PROPERTIES WITH PRIVATE FIRM

“Even though we have seen a considerable decrease in the number of vacant properties, we still wanted to increase our concentration on the properties that remain unoccupied,” explains Mayor Kelly Yaede. “We are confident that our recent partnership with a private firm specializing in this area, along with significant land use changes designed to make it easier to fill vacant sites, will help us build further upon the many revitalization projects taking place across our community.” Hamilton Township has teamed up with Borgers, Saunders, Taylor & Associates, LLC (BSTA) to work along with Township officials and use the town's registry to identify responsible parties.
