

Bron's September Charity Bingo

Built into Bron's core values, our company's success is driven by our team's fierce dedication, ambition, and determination to serve not just our immediate Bron family, but our clients and our community as well.

In the month of September, our Bron family came together in an effort to extend our values outside our local community and hosted a charity Bingo in benefit of the Sonlight Academy in Haiti. Our charity bingo prizes consisted of gift baskets such as a Wine and Cheese basket, 'Stay-at-Home' activities basket, Movie Night basket, and a Haitian culinary experience basket. Together, our team raised a total of over \$8,000 to be donated to the Sonlight Academy for the continued education of children in need.

It is with great pride that we bring the spotlight to our team for the hard work and contributions that allow us to make announcements such as this, and hope to continue this tradition in the years to come.
